

## VECTOR OUTBOARDS

### Press Release/Southampton Boat Show 2015

Vector Outboards announce a restructure to the distribution of the range of 4 and 2 stroke outboards for the European market. From 1st September 2015 the warranty on the 4 stroke outboards is extended from 3 to 5 years for recreational use.

The all new Vector 6hp 4 stroke is launched at the show and will be on display with other models from the range on stand E068. The price is approximately 20% below the nearest competition. The design is based on Yamaha Outboards as per all the current Vector range with all parts interchangeable.
